

How to Register an Account and Activate Your Membership

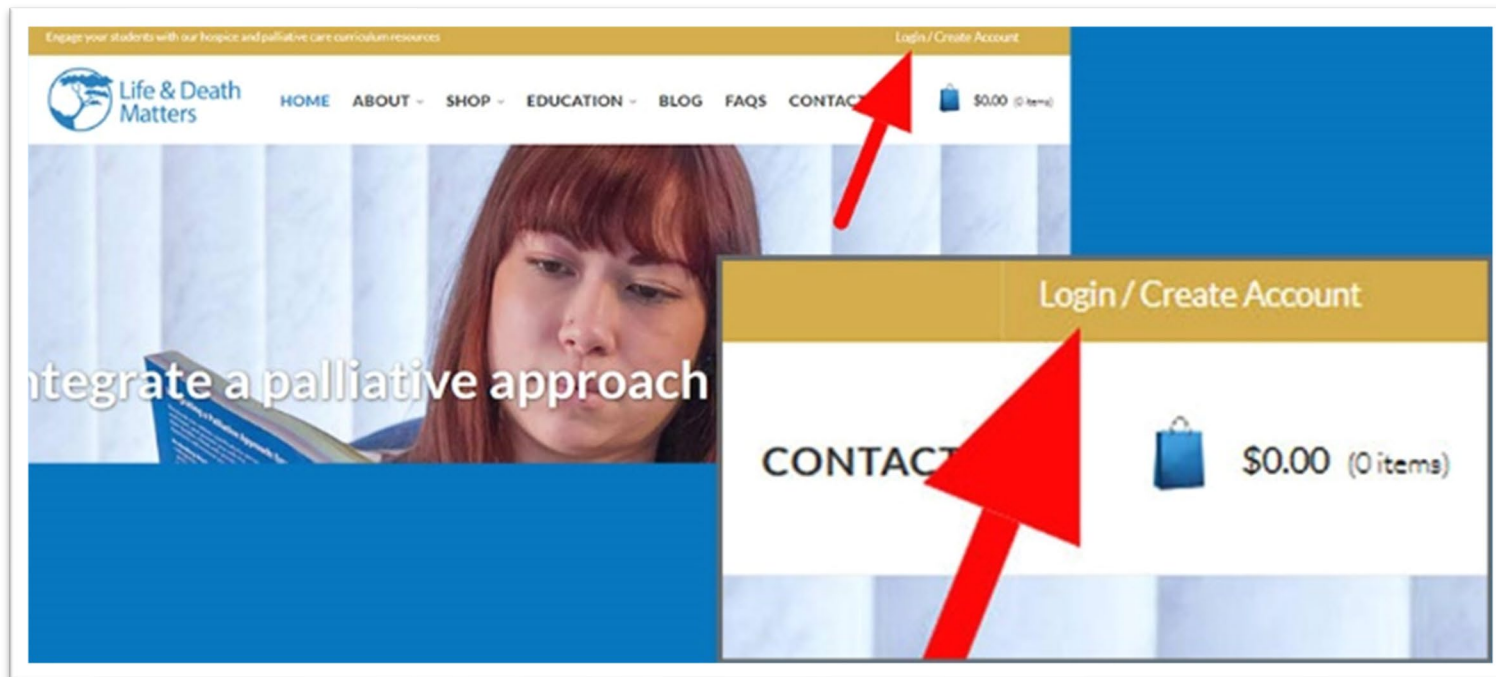

This process is divided into two parts—I) Creating an account, and II) Activating a membership.

Follow the instructions below to create your account and activate your membership using a membership code.

I. Creating an Account

1. Go to the Life and Death Matters home page <https://lifeanddeathmatters.ca>.
2. Click on the link “**Login/Create Account**.”

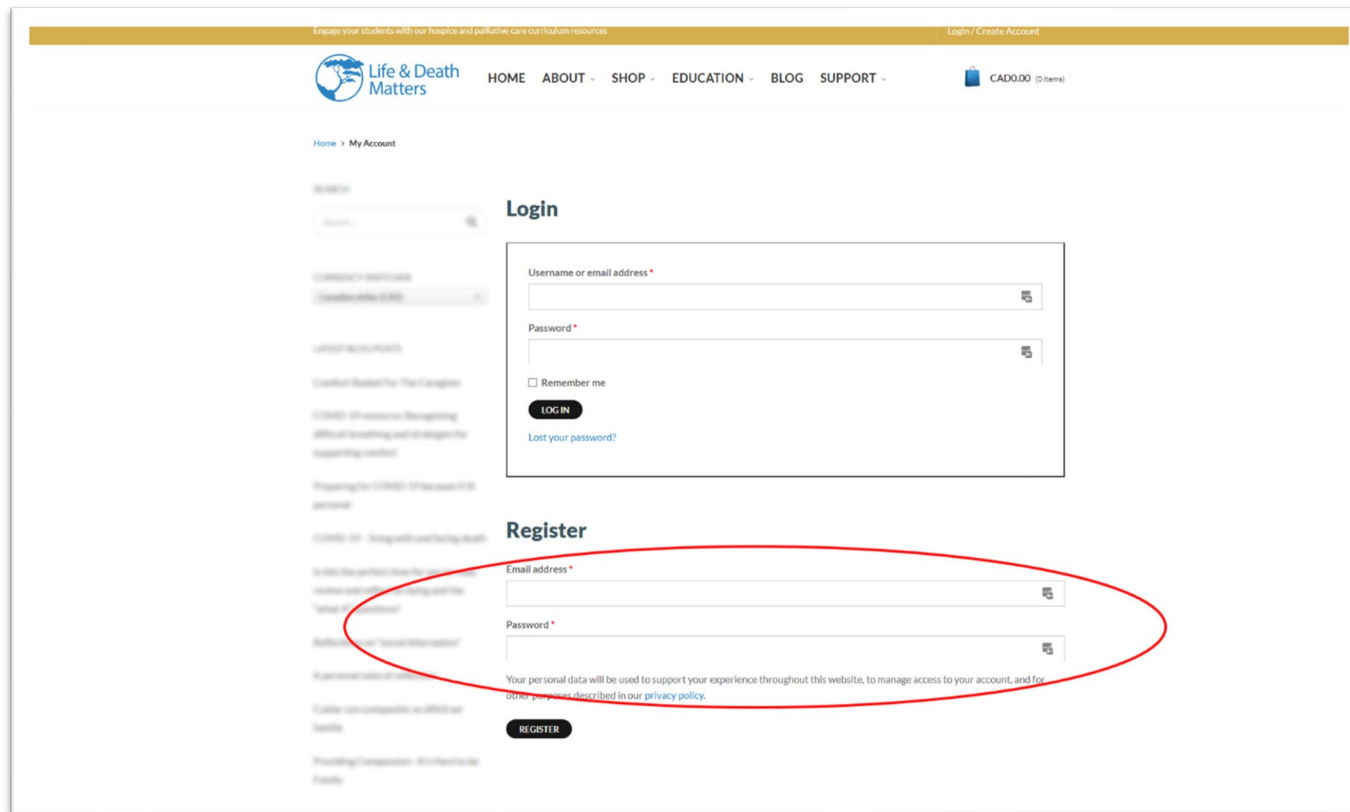

Red arrow in screen shot below show “Login/Create Account” link on the Life and Death Matters website. Inset shows magnified view of link.

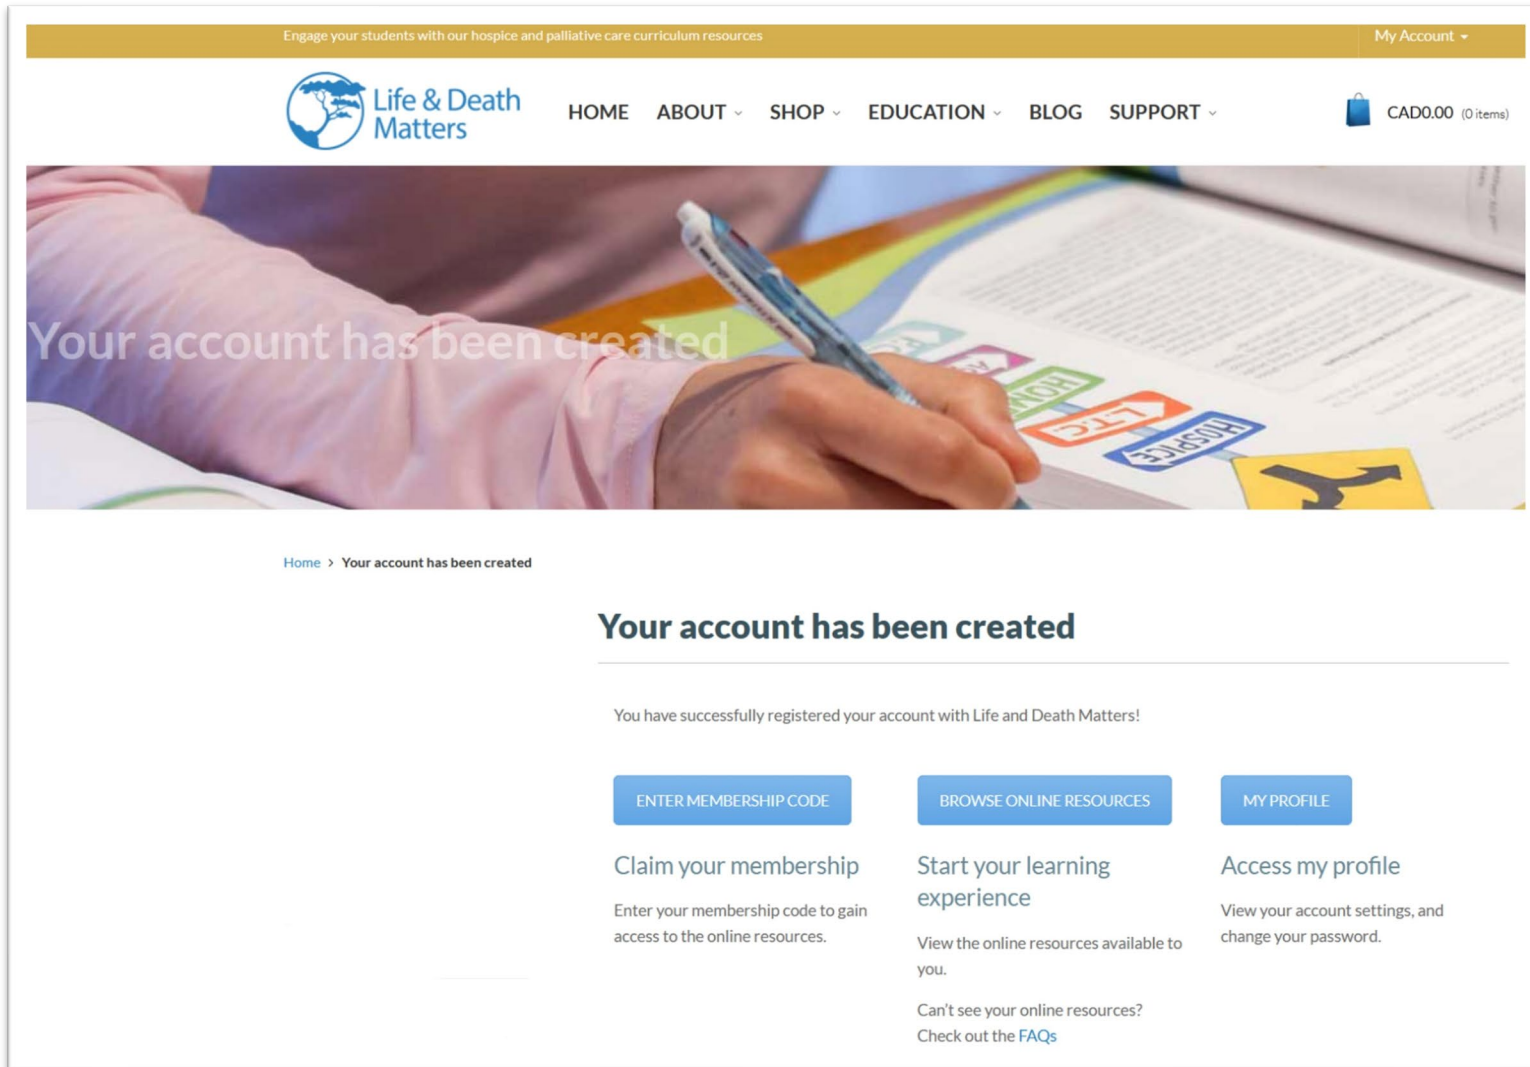

Life and Death Matters

FAQ at <https://www.lifeanddeathmatters.ca/faqs/>

3. On the page that opens, use the “**Register**” form (shown below within the red circle). Enter your email address and create a password.
4. Select the button “**Register**” (shown underneath the Register form)

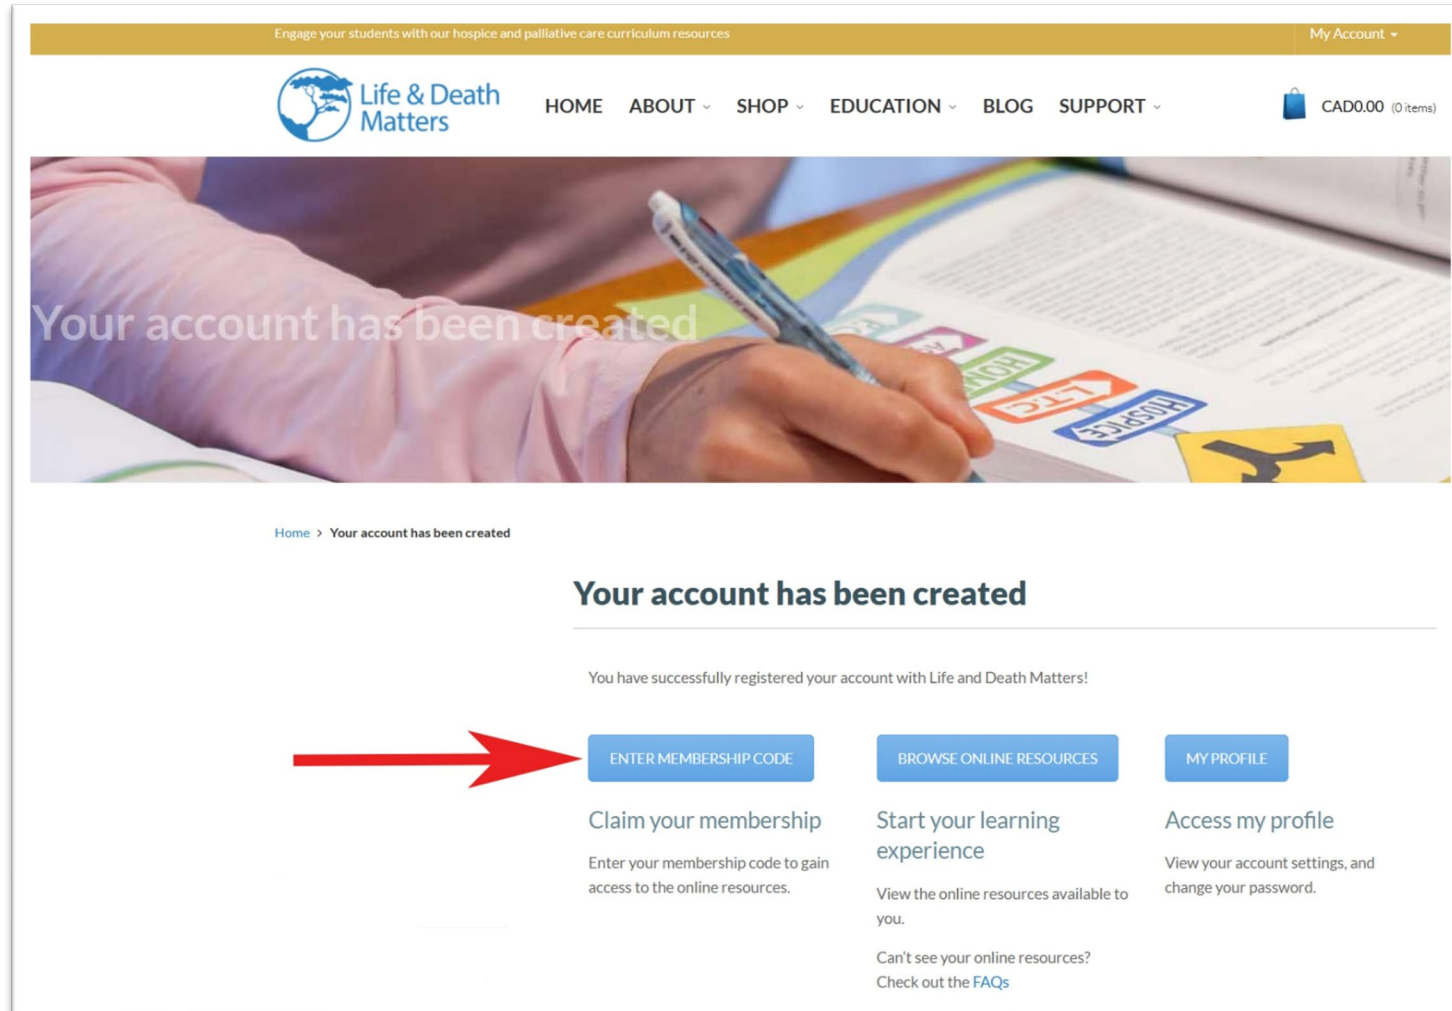

5. A new page should open with the message, “Your account has been created” (see screenshot below).

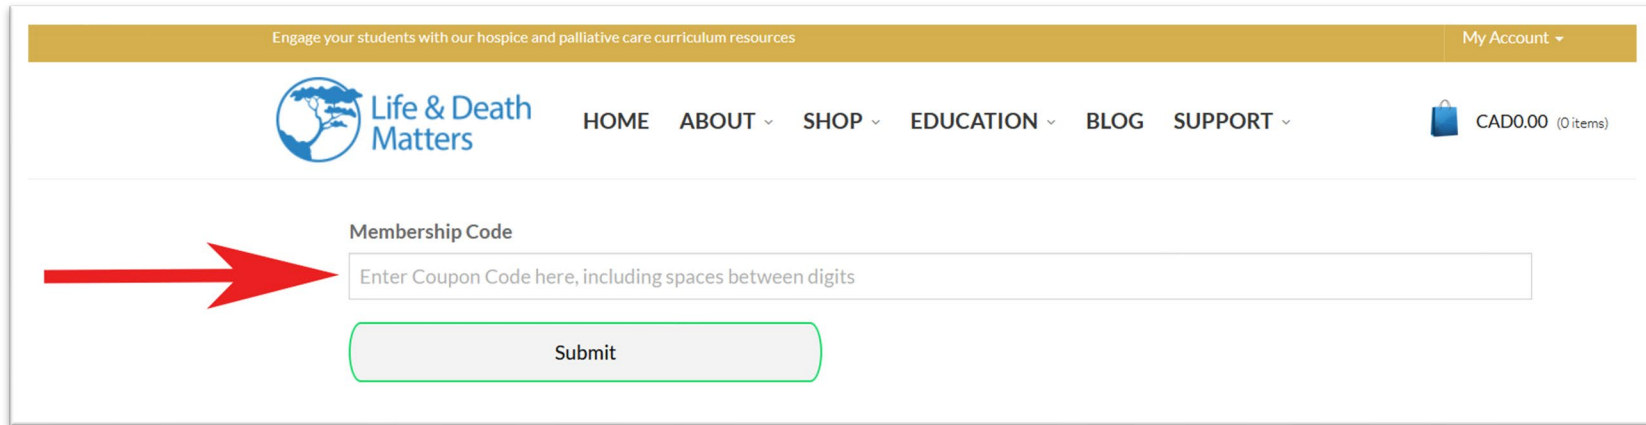

II. Activating your Membership

6. Using the same webpage from step 5, select the first option (shown by the red arrow) titled “Enter Membership Code.”

7. On the new page that opens, enter the membership code provided to you in the space titled “Membership Code.”
8. Select “**Submit**” to activate your membership.

The screenshot shows the top navigation bar of the Life & Death Matters website. The header includes the text "Engage your students with our hospice and palliative care curriculum resources" and a "My Account" dropdown menu. The main navigation menu contains links for HOME, ABOUT, SHOP, EDUCATION, BLOG, and SUPPORT. A shopping cart icon shows "CAD0.00 (0 items)". Below the navigation is a "Membership Code" section with a text input field containing the placeholder text "Enter Coupon Code here, including spaces between digits" and a "Submit" button. A red arrow points to the input field.

You will now have an active membership!

YOU NEED TO LOGIN TO ACCESS RESOURCES

You need to login to access resources **after** registering/activating your membership,

Use the link from step 1, Login/Create Account, to open the login page.
